SUMMER CAMP

General Information

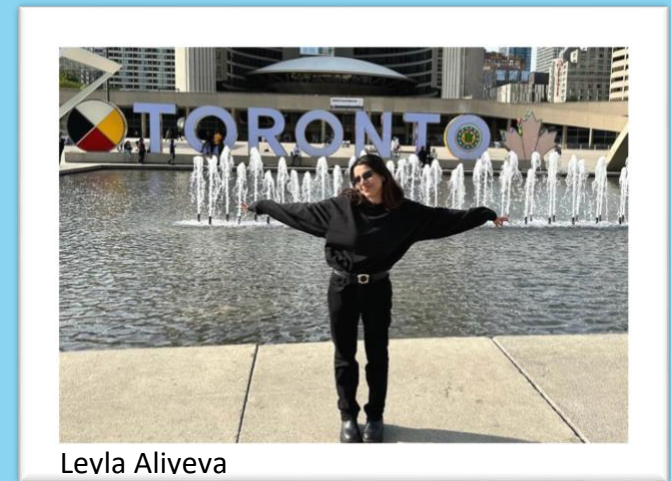

This summer, the HAPPY KIDS summer camp located in Mardakan can come to your aid. We will fill your children's free time with a healthy diet, a balanced relaxation-entertainment-learning process, and an unforgettable experience accompanied by participation in various excursions.

During the two weeks of their stay at the camp, the children will live according to the proper **nutrition and sleep regime**, learn **English** (or improve their language level) from **experienced and professional teachers**, participate in **various sports games and competitions** held in the **pool**, prepare **skits**, take **art lessons**, they will also create artwork with their hands and present them to their parents, enjoy the different **entertainment programs** organized at the camp, **watch and discuss movies** together, **read in English-Russian-Azerbaijani languages**, go on excursions to various historical and entertainment places. And that's not all: cooking classes will be organized for children, and with the permission of their parents, they will spend the night in a tent and feel like real scouts. After all, those who remain in our camp will be "**Happy Scouts**".

Get to know us

Experienced translator **Mehriban Aliyeva** will be in charge of **organizing the camp**. A professional in her field, Mrs. Mehriban is known for her love for children. Mrs. Mehriban will also help your children to **conduct English writing and speaking courses**.

Leyla Aliyeva is the author of the idea to create a Summer Camp in Baku. Leyla, who studied at **Baku International School**, and then at **Baku Oxford School**, both stayed and participated as a volunteer in camps organized in foreign countries. A graduate of the Marbella branch of **Les Roches** University, one of the world's most famous hospitality universities, Leyla currently lives in **Canada**. She will oversee the organization of the camp to the highest standards of **hospitality**, run **English lessons** as well as **poolside activities**.

Levla Aliveva

Get to know us

Ataol - Ataol, who studied in **Toronto, Canada**, will provide children with interesting information about the **computer - IT field**, organize **swimming and surfing lessons**, and hold **various sports games** with children. With Ataol, children will also be able to practice the Turkish language that they have heard in cartoons and TV series. Moreover, he will share his experiences in **theater** with your children!

Aytan will manage general **administrative work**. Aytan will win your children's sympathy with her friendly character, care, and smile, and will give them **Russian language lessons** and help them with English lessons.

Aida - organizing art classes, will ensure that children have a good time and learn how to create beauty using paint.

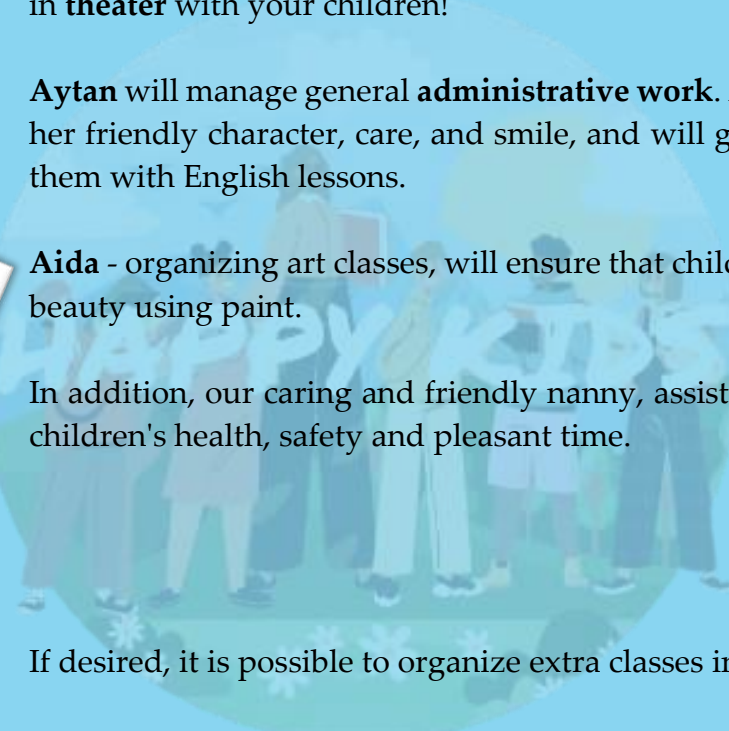

In addition, our caring and friendly nanny, assistant staff, and cook will be on guard to ensure children's health, safety and pleasant time.

Additional information

If desired, it is possible to organize extra classes in **German** or **French**.

Parents can monitor their children through security cameras throughout the day. A whatsapp group of parents will be created and at the end of each day, **children's photos and videos will be sent to parents**.

The duration of stay in the camp is **two weeks**. At the end of the second week, an open house will be held and all parents will be invited to a cocktail party. Here they will have the opportunity to watch the play and other demonstrations prepared by their children.
